

## LYCEE FRANÇAIS ANNA DE NOAILLES – BUCAREST

### AMERICAN LITERATURE AND LANGUAGE TEACHER FOR MIDDLE AND HIGH SCHOOL - September 2025

The French International School in Bucharest welcomes more than 1000 students from 23 countries. Almost a hundred of them have elected to pursue the new American option of the BFI (Baccalauréat Français International) across middle and high school and we are currently looking for a Literature and Language teacher to join the team.

Within the framework of the French Baccalaureate, the BFI is a College Board approved program that provides a rigorous curriculum in American Literature paired with an integrated History & Geography course of study. Students are also required to research a global topic from an American perspective as part of a research seminar taught by English speaking faculty.

The International French School of Bucharest offers career opportunities all year round for energised, and passionate educators. We seek to attract, and nurture individuals of the highest professional integrity and calibre who are committed to international education and fully believe in the power of a multilingual, multicultural environment as a gateway to educating tomorrow's global citizens.

We seek individuals able to work well on teams and within the framework of both the whole-school project and of the BFI. Respect for others, loyalty and team spirit, lie at the heart of what we do in the American International Section.

## MISSION

The American literature and language teacher's main mission is to provide students with knowledge, skills and attitudes in order to develop skills in the subject.

## RESPONSIBILITIES

- Conduct English language and English Literature lessons for middle school and high school in the American International Section with a BFI-based programme.
- Design and implement learning or teaching situations based on French International Baccalaureate programs and standards.
- Convey subject knowledge
- Design and implement assessment methods of student's learnings, in liaison with other teachers or professional partners
- Ensure students acquire skills including capacities, attitudes and procedural knowledge
- Be an expert in the conduct of a class and foster the interest and participation of students
- Provide personalised follow-up of students in relation with families and participate in their orientation project
- Contribute to the school's operation and to teamwork
- Adapt his/her teaching to the diversity of students by providing each of them with the necessary support, and measure their achievements
- Use information and communication technologies to support learnings

## SKILLS, ABILITY AND REQUIRED QUALIFICATION

- English Native speaker or C1/C2 level minimum
- Recognised qualification in Teaching
- Deep understanding of the subject and the curriculum
- Experience in teaching in Middle and High school is preferable
- Knowledge of the French curriculum is an advantage
- Organisational and interpersonal skills
- Responsiveness and availability

- Adaptability and benevolence
- Very good writing and speaking skills
- Strong teamwork skills and committed to making projects successful
- Mastery of digital tools
- Able to adapt to French-speaking and non French-speaking students
- Able to provide instructions suited to a wide variety of students
- Able to work in a transversal and multidisciplinary way
- A good command of French is appreciated for supporting bilingual students and families

## WORKING CONDITIONS

- Full time position (18h of teaching/week)
- Remuneration will be based on company salary scale
- Professional development through access to a very rich internal and external training offer
- Many benefits: health insurance, reduced school fees if they enrol at the French School, a personal laptop provided to all staff member, reduced cafeteria fees, free Romanian language classes, free access to school buses.
- Join the AEF, the largest network of international schools.
- And be part of a tightly-knit and dynamic American International Section team that believes variety and creativity are the best ways to ensure learning stays fun!
